Dear Mr McPherson,

This is to advise your organization that Moss Enterprises at 9211 Northpark Dr., Johnston, IA 50131, is the authorized distributor for Amatrol products within the state of Illinois.

Amatrol uses exclusive distributors for specific states. Therefore, *Moss Enterprises* is the only distributor supported by Amatrol for Illinois purchases.

Amatrol is the only manufacturer that can produce and supply the following product(s) quoted by *Moss Enterprises*: 85-MT5 Electric Motor Control Learning System, 85-MT5C Variable Frequency AC Drive Learning System, 85-MT5D Electronic Sensors Learning System, 850-MT6 Electrical Wiring Learning System. Purchasing from *Moss Enterprises* is the only way to ensure the product(s) listed is compatible with the existing Amatrol learning content and equipment presently at Suak Valley Community College.

All Amatrol learning systems include student curriculum and instructor's guides, which can be used in either a self-paced or lecture-lab environment. All Amatrol curricula use the same format, including learning objectives and industry skills. The instructor's curriculum includes all testing, authentic (skills) assessment resources, and rubrics for consistent student assessment. Only Amatrol-branded curriculum can guarantee full compatibility of hands-on skills and objectives with Amatrol learning systems.

If you need further information, please contact me at 800-264-8285.

Sincerely,
