Action Item 4.1

Topic: **RESOLUTION Supporting the City of Dixon in its Efforts to Increase Signage on I-88**

Strategic Direction: **College Health Metric 7 – The College partners with local agencies to encourage the economic development of the region.**

Presented By: **Dr. David Hellmich**

Presentation:

Liandro Arellano, Mayor of Dixon, has contacted the College, seeking a resolution from the Board of Trustees in support of the City of Dixon’s efforts to persuade the Tollway Authority to allow retail signage at Exit 54. He emphasized prospective developers have told the City that they want exit signage on I-88 and it is critical that the Tollway Authority understand how much that development would impact the Sauk region, including the generation of sales and property taxes.

Recommendation:

The administration recommends the Board approve the Resolution Supporting the City of Dixon’s Request for Retail Signage along I-88.
