

**Sauk Valley Community College
October 28, 2019**

Action Item 4.1

Topic: Sole Source Provider – Radiology

Strategic Direction: Goal 1, Objective 2 – Be responsive to community needs by offering new and appropriate academic programs and classes

Presented By: Dr. David Hellmich and Kent Sorenson

Presentation:

The College’s RadTech Program is an essential offering to the College’s student population and provides the district with the necessary workforce candidates to support healthcare partners’ needs. Enhancements in the RadTech industry require the College to continually invest in healthcare technology and equipment to ensure the College’s graduates are prepared for their future careers. Specifically, the RadTech program is procuring a digital image receptor, along with associated software, to integrate the College’s two x-ray machines and ensure program instruction is aligned with industry standards.

The software necessary for the integration of the two existing x-ray machines, PaxeraUltima PACS, is only available through MXR Imaging Solutions (a.k.a. Merry X-Ray Corporation), which was confirmed by PaxeraHealth, the creator of the PaxeraUltima PACS software.

As MXR Imaging Solutions is the sole supplier of necessary software that will integrate the College’s existing x-ray machines, the public bid process is not required. General Obligation Debt Proceeds will be used to fund this purchase.

<u>VENDOR NAME</u>	<u>ITEM</u>	<u>COST</u>
MERRY X-RAY CORP	PAXERAULTIMA PACS	\$ 6,818
	PAXERAHEALTH ANNUAL SERVICE AGREEMENT – 5 YEAR	7,792
	FUJI DROP PROTECTION PROGRAM	2,416
	FUJI FDR D-EVO P35I WIRELESS PACKAGE	28,017
		<u>\$ 45,044</u>

Recommendation:

The administration recommends the Board approve the quote from MERRY X-RAY CORPORATION in the amount of \$45,044, to be paid from General Obligation Debt Proceeds.

September 19, 2019

To whom it may concern:

This letter has been written to confirm that PaxeraUltima, including all add-on database software, is a sole source product. The database and software are distributed exclusively by MXR Imaging Solutions for Sauk Valley Community College. There are no other agents or dealers authorized to represent these products to Sauk Valley Community College. If you desire additional information, please contact me at 617-431-2684, or by e-mail Maritza.jones@paxerahealth.com.
