May 10, 2022

Dear Dave and Lori,

It is with sadness that I submit this letter of resignation effective Friday, May 27, 2022. My time at Sauk Valley Community College has been fulfilling beyond expectations and provided me with opportunities to work with truly exceptional people of the highest character.

My new position will take me along a similar path as I will remain in the non-profit world, helping to develop a higher education foundation that will grow thanks to the dogged determination and passion of my colleagues who have established the transformative SVCC Impact Program.

I will never be able to replace the many positive experiences I've had at Sauk and I will always look back fondly on the people and accomplishments this great institution nurtured. I hope to continue to be of help as the Impact program and campaign to support it grows. Thank you both especially for your support, encouragement and kindness.

Again, thank you for the opportunity to contribute to Sauk and for all you do for the our communities.

Sincerely,
