Action Item 4.1

Topic: **Adoption of Resolution Regarding the Intent to Levy Equity Adjustment in Accordance with the Public Community College Act**

College Health Metric: **Financial Stability – The College uses its revenue prudently while pursuing and utilizing alternative revenue streams. Investment in programs, personnel, processes, and infrastructure are carefully considered and supported by College Planning.**

Presented By: **Dr. David Hellmich and Kent Sorenson**

Presentation:

The College has received notice of eligibility from the Illinois Community College Board for a special tax levy pursuant to the Public Community College Act (110 ILCS 805/3-14.3) (the Act). The State of Illinois' (the State) average combined educational and operations and maintenance purposes tax rate was 28.33 cents for tax year 2021. The College's combined educational and operations and maintenance 2021 tax rate was 27.50 cents. The Act allows the College to levy an additional 0.83 cents to meet the State's average rate. The additional tax approved in the prior tax year (2020) was 1.57 cents.

In order to levy the additional 0.83 cents to the current tax levy (tax year 2022), the College is required to advertise its intent to assess this special levy and provide a petition that can be signed for the next 30 days. If the petition is signed by 10% of the registered voters in the District, the additional tax will be required to be on the ballot at the April 4, 2023 election. If there is not petition from 10% of the voters in the District, the College will be able to include the additional tax in the tax levy that will be presented to the Board of Trustees at the November meeting and again for approval at the December meeting.

Recommendation:

The administration recommends the Board adopt the attached resolution regarding the intent to levy equity adjustment under the Act.

Dear Dr. Hellmich,

At the meeting held on September 16, 2022, the Illinois Community College Board authorized your district's eligibility for the special tax levy pursuant to 110 ILCS 805, Section 3-14.3. Please note the provisions of this section which specify that your board of trustees must adopt a resolution expressing its intent to levy the tax; and thereby, giving voters an opportunity to request a referendum on the proposed additional levy. The state average combined educational and operations and maintenance purposes tax rate is 28.33 cents, and Sauk Valley Community College can levy an additional 0.83 cents. The levy does not circumvent tax cap legislation.

If you have any questions, please contact Jennifer Franklin, Deputy Director for Finance and Administration, at (217)-785-0031 or at Jennifer.L.Franklin2@Illinois.gov.

Sincerely,

Brian Durham, PhD.
