Agenda Item 3.1.3

Topic: Faculty Study Abroad Trip

College Health Metric: Academics – The College provides quality, contemporary, and relevant educational opportunities to the community.

Presented By: Drs. David Hellmich and Jon Mandrell

Presentation:

Under the leadership of Dr. Paul Edleman, Professor of Political Science and Communication, the College has expanded its study abroad opportunities for students, faculty, and staff. These opportunities enable students to explore the world, travel, and earn college credit while faculty and staff may pursue professional development through interactions with counterparts in other parts of the world. Last month, Dr. Paul Edleman, Dr. Amy Jakobsen, Professor Glenn Bodish, and PASS Facilitator Janis Jones traveled to Lahore, Pakistan, where they reconnected with our partners at Kinnaird College, who had visited SVCC in the Fall of 2023. A presentation on the visit will be provided.
