

Sauk Valley Community College
August 29, 2022

Action Item 4.2

Topic: **Approve Director of Software and User Services Administrative Appointment – Art VanZuiden**

College Health Metric: **Information Technology – The College provides secure access to resources for students, faculty, staff, and the community.**

Presented by: **Dr. David Hellmich and Kathleen Dirks**

Presentation:

The administration has been in the process of hiring a Director of Software and User Services. The position was advertised on-line on Sauk Valley Community College’s website. The College received three applications and two internal candidates were invited to interview. The committee was composed of Jenna Brown, Jennifer Schultz, Joe Strabala-Bright, David Habben, and Allison Wade. Kathleen Dirks, Dean of Information Technology, served as Chair.

Professional background: Art VanZuiden has been a Database and Server Administrator since 2020 at Sauk Valley Community College. Previously, Art had been the Chief Technology Officer at Community State Bank for four years and IT Retail Operations Support at Blick Art Materials for two years.

Recommendation:

The administration recommends the Board approve the appointment of Art VanZuiden as a Director of Software and User Services beginning September 5, 2022, at an annual base salary of \$68,827.20.

DEAR HIRING COMMITTEE

After reviewing the job description for the Director of Software and User Services position, I am excited to inform you that I wish to apply.

I believe my experience, attitude, and personal goals align with the needs of the department and I would be honored to contribute my knowledge and passion to help this team work cohesively and effectively to achieve its goals. I have greatly appreciated my time here at Sauk and my intent is to be an integral part of this team long into the future.

Thank you for your consideration,

Art VanZuiden
