Dear Bob,

I am regretfully writing to officially inform you about my decision to leave my position as a Board of Trustees member of Sauk Valley Community College due to my moving out of the district in the near future. My resignation will be effective on Monday 4/6/2023.

I have thoroughly enjoyed my time on the Board, and it has been my absolute pleasure to join such strong and dedicated team in serving a meaningful organization so vital to the community. Having been a former student and graduate of the College, I'm beyond proud of the focus the College Board and Leadership has in serving the community in such a purposeful way. Participating on the Board has been very rewarding hearing from our talented educators and staff; to celebrating the accomplishments of our students; to growing the relationships we have with 4-year universities; to understanding the staggering statistics of how many of our students are first generation college attendees; to partnering with our local businesses to gain an understanding of their needs and delivering on those needs; to the Impact Program and the Police Academy that have been wildly successful so far and will only continue to gain momentum. Understanding the importance of our role in our community is taken very seriously and acted upon accordingly keeping ourselves aligned and driven.

Thank you so much for the wonderful opportunity to contribute to such an incredible organization. It has been fantastic to be part of such amazing progress and accomplishments and I'll be cheering you all on from afar and celebrating in your successes of the future!

Sincerely,

Kate Boyle
