Action Item 4.4

Topic: **IncludEd Course Material Fee Recommendation**

College Health Metric: **Academics – The College provides quality, contemporary, and relevant educational opportunities to the community.**

Presented By: **Dr. David Hellmich, Kent Sorenson, and Dr. Jon Mandrell**

Presentation:

The College has partnered with Follett Bookstore to offer the IncludEd book program that can significantly reduce the cost of course materials by incorporating them into the College’s tuition and fee model, allowing students to access their digital course materials through their learning management system Canvas. Therefore, students have access to required course materials at the start of class with the hope to help student engagement and positive learning outcomes and at a significantly reduced cost.

Below are the fees that will be attached to the course materials for the classes being offered for the Summer and Fall 2024 semesters.
