Action Item 4.3

Topic: **IncludEd Course Material Fee Recommendation**

College Health Metric: **Academics – The College provides quality, contemporary, and relevant educational opportunities to the community.**

Presented By: **Dr. David Hellmich, Kent Sorenson, and Dr. Jon Mandrell**

Presentation:

The College continues its partnership with Follett Bookstore to offer the IncludEd book program that can significantly reduce the cost of course materials by incorporating these costs into the College's tuition and fee model, allowing students to access digital course and some print materials through their learning management system, Canvas. Therefore, students will have access to required course materials at the start of class with the hope to help student engagement and positive learning outcomes and at a significantly reduced cost.

Below are the fees that will be attached to the course materials for the classes being offered for the Spring 2023 semester:
