				BIO 120	
				FYE 101	
18 credit hours	22 credit hours	30 credit hours	34 credit hours	62-63 credit hours	64 credit hours

If Public Act 102-0174 (the ECACE) ensures transferability of the AAS in ECE with all public (and most private) 4-year institutions in Illinois. Refer to legislation for details (take note of pages 18-20, Sec. 130-10). To be eligible for the ECACE-ISAC scholarship and institutional supports of the grant: students in the ECE workforce need to be coded as AAS and referred to the ECE Academic Advisor and Outreach Coordinator. **Students taking ECE 109 (F14 cert.) should wait to apply for the Gateways ITC credential at Level 4/AAS.*

*** The AA in ECE is the appropriate path for students unsure of ECE/Elem Ed, and those who desire to complete BA out of state or share they are seeking a transfer that offers a traditional, on-campus, experience. Students become eligible to apply for a Gateways Level 5 credential upon successful completion of a bachelor's degree in Early Childhood Education at a Gateways entitled 4-year institution.*

****January 2023 - Active preschool or infant/toddler CDA's = 6 credits (ECE 115, ECE 228) - several exceptions exist. Check with ECE faculty and advisor. Students are responsible for remaining in contact with their advisor and their transfer institution requirements.*
