SAUK VALLEY COMMUNITY COLLEGE  
Fiscal Year 2023 Budget

Mission

*Sauk Valley Community College is dedicated to teaching and scholarship while engaging the community in lifelong learning, public service, and economic development.*

Budget Highlights

Sauk Valley Community College's (the College) Fiscal Year 2023 operating budget presents a \$880,336 deficit (page 6). This represents an increase in the budgeted deficit of \$235,712 (36.6%) from the Fiscal Year 2022 budget deficit of \$644,624. Consistent with the College's historical experience, the projected deficit is less than the budgeted deficit at \$95,331 (page 6). This is largely attributed to personnel expenditures and other departmental spending to be more conservative in the appropriated budget than what the College expects to realize in the upcoming fiscal year. Further, the College's projected operating fund balance to expenditures ratio is projected to be above 74% at the end of Fiscal Year 2023 and at approximately 47% at the end of Fiscal Year 2026; a sustainable projected financial position.

**Operating Revenues**

The College's Fiscal Year 2023 budgeted revenues total \$13,722,610, which is an increase of \$288,680 (2.2%) from Fiscal Year 2022. The primary revenue sources for the College consist of local district sources made of up property taxes and Corporate Personal Property Replacement Tax (CPPRT) totaling \$6,731,838 (49%); student tuition and fees totaling \$4,823,944 (35%); State of Illinois sources totaling \$1,638,63 (12%); and other sources totaling \$528,195 (4%). The College's substantial revenue source from the U.S. Department of Education HEERF Program recognized in Fiscal Years 2021 and 2022 will not continue into Fiscal Year 2023. The HEERF funds provided an inflow of resources during Fiscal Years 2021 and 2022 to replace lost student tuition and fee revenue, and the increase in fund balance the HEERF Program provided will continue to support the College's initiatives to increase enrollment for years to come.

**Operating Expenditures**

The College's Fiscal Year 2023 budgeted expenditures total \$14,444,133, which is an increase of \$398,379 (2.8%) from Fiscal Year 2022. The College's primary budgeted operating expenditures are personal services and benefits totaling \$10,848,885 (75%). Increases in operating costs due to inflation, modernization of the College's IT infrastructure and applications, and new College programs resulted in an increase of non-personnel related expenditures of \$422,555 (22%). Conference and travel budgeted expenditures also represent a significant increase in the Fiscal Year 2023 budget totaling \$265,035, an increase of \$103,361 (63.9%). New programs attributing to these increases include the College's new Police Academy, Traffic Safety Program and the College's IMPACT Program. The College also started its new modernization contract with Banner, which is in full effect for Fiscal Year 2023.

The College's operating funds will also continue to subsidize various student activities and auxiliary enterprises, including student organizations and activities, athletics, and the new food service program.
