

# Transfer Degree Plan

## Bachelor of Science: Agriculture - Agricultural Business

### How the Transfer Degree Plan Works

- This transfer plan leads to a Bachelor of Science (B.S.) degree in Agriculture - Agricultural Business at WIU. Students will fill out applications for both schools and consult the advisors and catalogs from both schools for specifics. This completion guide is designed for bachelors degree completion by taking courses at both Sauk Valley Community College and Western Illinois University (WIU). This guide assumes students have met all course prerequisites required by Sauk Valley Community College and admission requirements for WIU.
- Upon completion of the requirements at Sauk Valley Community College, students will receive an Associate in Arts degree with a concentration in Agribusiness. Students will be required to complete the Agriculture - Agricultural Business core requirements at WIU, and upon completion of the final curriculum requirements students will receive the B.S. degree with a major in Agriculture - Agricultural Business at WIU. In general, a minimum of 66-67 semester hours (s.h.) will be taken at Sauk Valley Community College at Sauk Valley Community College rates and 60 s.h. from WIU at WIU rates.
- A minimum cumulative grade point average of 2.00 should be achieved by the junior year.
